

Life and Love Readiness Assessment

Living a life of passion and enjoying effortless, extraordinary love.

We all want it.
We all deserve it.

So why don't we all have it?

The simple answer is that we are not ready for it.

My passion and true life purpose is to support women in their journey to revitalize and reclaim the life that they envision and deserve. Through my proprietary "**Life and Love Readiness Assessment**", I guide women through a process of determining if they are really ready to create their ideal life and attract new love.

Completion of the Assessment takes about an hour and requires total honesty. Once completed, I will be able not only to assess where you are on the readiness scale, but to identify exactly where your journey begins!

Together we will design a personalized plan for doing what it takes to get READY and set the foundation upon which their ideal life and love will be built!

The question is not really "are you ready?" but rather, "are you willing to do whatever it takes to prepare yourself for a life of passion and effortless, extraordinary love"?

If you are willing to bring it...to open yourself to the magic, wonder and joy that comes with having it all, then I am here to support you every step of the way.

Below you will find the **Life and Love Readiness Assessment**. After you have completed the assessment, you can email it to me at discoverthedspot@gmail.com with "Readiness Assessment" in the subject line.

I will contact you within 24 hours to set up your complimentary *Assessment Feedback* session where I will share your readiness level with you and suggest next steps.

Ready, Set, Go!!!
